A TRULY GLOBAL EVENT

SOFEX continues to grow in recognition and success, proving to be an effective niche gateway for the Global Special Operations Forces and Homeland Security communities. It has established itself as the leading forum for international industry professionals, decision makers and technology innovators from across the world to connect and dialogue in Amman, Jordan.

THE LATEST AND MOST ADVANCED TECHNOLOGIES

SOFEX serves not just as a platform for open direct dialogue between the Defense and Homeland Security industry, military officials, government decision makers and experts, but also as an opportunity for SMEs and the world’s leading Defense, Special Operations and Homeland Security manufacturers and solution providers to exhibit and demonstrate their latest achievements, most advanced technologies and state-of-the-art innovations.

NETWORKING FOR GLOBAL SECURITY

The SOFEX conference and exhibition are a great occasion to spark motivation and inspire Heads of State, Defense Ministers, Chiefs of Armed Forces, Air and Navy Forces, Special Operations Commanders, Counter Terrorism and Homeland Security decision makers and experts, including officials from various security agencies to expand capacity in order to address current and future challenges, place strategies in a global context and position forces for high performance. Gathering this impressive group under one roof, the conference sets the stage for mutual cooperation with the objective of building bridges of understanding and knowledge-sharing to stay ahead of future threats to maintain global peace and security.
